1 P.M.

Sri A. BHEEMAPPA NAIK.—What are the industries that the Rural Industrialisation Scheme has proposed to start ?

Sri H. SIDDAVEERAPPA.—Quite a number of them depending upon the enlargement of the circumstances of the locality, whatever industry is feasible and practicable in that area that will be taken up. We have not got any hard and fast rule as to what industry can be started.

Sri A. BHEEMAPPA NAIK.—Have you trained personnel to start industries from A to Z that you just proposed ?

Sri H. SIDDAVEERAPPA.—Wherever we have personnel and the necessary equipment we do it.

Sri A. BHEEMAPPA NAIK.—Would not these Industrial Schools be a good centre to train the personnel so that they might be of some use in these rural areas to work as guides ?

Sri H. SIDDAVEERAPPA.—I am given to understand that there are certain practical difficulties, so far Government have not done. It will be examined.

Sri A. BHEEMAPPA NAIK.—What I am saying is, can you not train these workers as rural industrial workers, as guides in these schools; would you kindly examine this question ?

Sri H. SIDDAVEERAPPA.—That will be examined, Sir.

Mr. SPEAKER.—Question time is over. Now the next item on the agenda.

ಶ್ರೀ ಎಸ್. ಸಿದ್ದಪ್ಪ.—ಸ್ವಾಮಿ, ನನ್ನ ಪ್ರಶ್ನೆ ಬಾಕಿಯಿದೆ.

ಅಧ್ಯಕ್ಷರು.—ನಾನು ಕರೆದಾಗ ತಾವಿರಲಿಲ್ಲ.

ಶ್ರೀ ಎಸ್. ಸಿದ್ದಪ್ಪ.—ಹಿಂದೆ ಇಲ್ಲದಿರುವವರಿಗೆ ಆಮೇಲೆ ಅವಕಾಶ ಕೊಟ್ಟಿಲ್ಲವೇ ?

ಅಧ್ಯಕ್ಷರು.—ಅದು ಪ್ರಶ್ನೋತ್ತರಕಾಲದೊಳಗೆ ಇದ್ದರೆ.

ಶ್ರೀ ಎಸ್. ಸಿದ್ದಪ್ಪ.—ಈ ಸಭೆಯಲ್ಲಿ ಪ್ರಶ್ನೆಗಳು ಪ್ರಾರಂಭವಾದರಾಗಾಯಿತು ಮುಗಿಯುವವರೆಗೂ ಮಧ್ಯೆ ಹಾಜರಿಲ್ಲದ ಸದಸ್ಯರಿಗೆ ಅನಂತರ ಮತ್ತೆ ಕರೆದು ಪ್ರಶ್ನೆ ಹಾಕುವುದಕ್ಕೆ ಅವಕಾಶಕೊಟ್ಟಿರುವ ನಂದರ್ಭಗಳಿಲ್ಲವೇ ?

ಅಧ್ಯಕ್ಷರು.—ಒಂದು ಘಂಟೆಯೊಳಗಾಗಿದ್ದರೆ ಅವಕಾಶ ಕೊಡುತ್ತಿದ್ದೆ.

ಶ್ರೀ ಎಸ್. ಸಿದ್ದಪ್ಪ.—ಇದು ಅತಿ ಮುಖ್ಯವಾದ ಪ್ರಶ್ನೆ ; ನಾಳೆಯದಿವಸವಾದರೂ ಈ ಪ್ರಶ್ನೆಗೆ ಅವಕಾಶ ಕೊಡುತ್ತೀರಾ ?

both under regular conservation programme as well as under the Five-Year Plan.

(*d*) For 1955-56, a sum of Rs. 3·75 lakhs is budgeted to be spent.

PAPERS LAID ON THE TABLE.

Sri K. HANUMANTHAIYA (Chief Minister).—Sir, I beg to lay on the Table the list of promises made by Government during July-August Session, 1953, Budget Session, 1954 and October 1954 of the Legislative Assembly and the action taken thereon.

Business of the House.

*Sri J. MOHAMED IMAM (Jagalur).—Before we proceed to the actual business of the House, I would like to take advantage of the presence of the Leader of the House and ascertain from him the future business of this House. With regard to the discussion on the Fact Finding Committee Report, I would like to have an indication as to the procedure that would be adopted by the Government, including the discussion today. Are we merely discussing the Report or are we taking any decision? I would request the Government to give us an idea as to the procedure that would be adopted and what will be the result of our discussion; whether the discussion will end or the House is going to come to any decision? We shall be grateful if the Leader of the House gives us some indication.

Sri Mulka GOVINDA REDDY (Chitaldrug).—I would like to add one more suggestion, Sir. The Report that we are discussing is a very important one and quite a number of members have not spoken. They are really anxious to express their views. Such opportunities come once in a lifetime. It is but right that as many members as would like to speak should be allowed to express their unfettered views. If all of them want to express their views, all of them may be given chance to speak. I would therefore suggest that three days should be set apart for discussing this Report from today.

*Sri K. HANUMANTHAIYA (Leader of the House).—Sir, if the Hon'ble Members want to discuss this Report, I have no objection; if everyone of them wants to have an opportunity, I have no objection either. If the House is prepared to sit longer and also work overtime that would be the correct way of exhaustively discussing this Report. So far as Government business is concerned, it is all of very urgent nature; whatever days are allotted for that purpose must be adhered to. Tomorrow we have to consider the Finance Bill. Therefore, according to the programme that has already been announced and circulated, we have to do Government business from tomorrow onwards. After the Government business concludes, you may fix such number of days as are necessary for discussing this Report, Sir. So far as Government are concerned, the Leader of the Opposition has rightly said what would be the position after this report is discussed. I would be able to say something at the end of discussion, Sir.

DISCUSSION ON FACT FINDING COMMITTEE REPORT—(*contd.*)

Mr. SPEAKER.—I want to bring to the notice of the Hon'ble Members that too much of interruption or interjections will spoil the continuity of the speech and consequently there will be delay in completing the ideas. Therefore I would request Hon'ble Members, if they want to ask any questions, to ask them after the speech is concluded. They can ask for any information required by them with the permission of the Chair. The members cannot rise all of a sudden and retort. These things should be avoided when the speech is going on. I have received some complaints in the form of suggestions from some Hon'ble Members that too many interruptions will spoil the continuity of the speeches.
